

# Attention FDA

1988 '00 MAR 21 A9:42

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

No

If so: yes

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ... I had 3 different audiologists test hearing, none had a clue as to which hearing aid I should use, main interest seemed to be money up front.

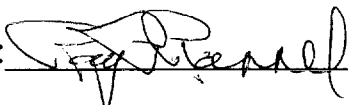

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

No

4. Should I be allowed to purchase hearing aids by mail as I choose?

Yes Have had very positive results by mail!  
Highly recommend "Excel Hearing Solutions".
